### A Note from the Cast and Crew

We, the cast and crew, have spent six, sometimes difficult weeks, preparing this show.

We've experienced a lot together.

Our original roster has changed somewhat, but we have come through, hopefully, shining.

We hope you can see throughout the performance, the hard work and effort we have put into this show.

We ask you to forgive us for our missteps, because some of us are still young, this is our first musical, and we may be a little nervous.

So, enjoy the show and thanks for giving us this opportunity to entertain you.
